**Subject: Nominations for Research Training**

Hon'ble Dasho,

The Royal Institute of Management is organizing a 3-day training on Research from 13<sup>th</sup> to 15<sup>th</sup> April, 2015. The goal of this training is to help build the research knowledge, skills and culture in the country. More specific aims are to enable participants to:

- Conduct a research and
- Understand and interpret research reports

The training is targeted for officials who would want to start a research and also for those who need to read research reports and make sense of it. Professor Magne Suphelson from the Norwegian School of Economics would be conducting the training.

We would like to invite nominations of relevant officials to attend the above training. A nominal fee of Nu. 5,000.00 (Five thousand) only per participant is charged for the whole programme. The fees would cover the costs of the material and working lunch. Please send your nominations of relevant officials of your organization latest by 31<sup>st</sup> March, 2015. For further details on the programme, please contact Sonam Chuki, Lecturer, Department of Research and Consultancy at 351013/14.

Thanking you,

Sincerely yours,

  
(Karma Tshering)  
Director General
