Terms & Conditions:

The applicants should read the following terms carefully before applying for the course.

1. He or she should be at least class X pass or ex-animal health worker.
2. The course will be conducted at College of Natural Resources (CNR), Lobeyssa for 3 weeks (2 weeks of theory and 1 week of practical).
3. Government will provide working lunch and two times tea and refreshments. Besides this, the cost incurred for the course shall be borne by the respective individuals/sponsors.
4. The certificate will be awarded after passing the final evaluation and the certificate will be valid for 3 years only. They need to reappear for exam if they want to renew the same. Further, this will also be subjected to the norms of the veterinary councils or equivalent bodies governing.

5. He or she should start the sales service for predetermined lists of veterinary medicines within 3 months after the completion of the course or his or her sponsor should already have established veterinary pharmacy/sales services. If the sale service is not started within the above period of time, their certificates will be revoked.
6. He or she shall be permitted to handle and dispense/sell the veterinary medicines as per the lists of E1 drugs and selected from E2 lists only.
7. The sale and distribution of the above veterinary medicines will be done as governed by the Medicine Act of kingdom of Bhutan 2003 and Bhutan medicines Rules and Regulation 2012.
