**EXECUTIVE ORDER**

**Subject: Import of Urea by State Owned Enterprises (SOEs) for industrial use**

As per the approval from Hon'ble Lyonpo vide note sheet No. DoA/PD/PSP-05/2017-18/2535 dated 24 April, 2018 on permission for import of urea by SOEs for industrial use and urea being one of the important raw materials used by industries like Bhutan Board Private Ltd. and Army Welfare Project for development of their products, the Ministry of Agriculture and Forests hereby permit the direct import of urea by these firms based on the following terms and conditions.

1. The SOEs intending to import urea should obtain clearance from Department of Agriculture (DoA).
2. The SOEs should apply for import permit from Bhutan Agriculture and Food Regulatory Authority (BAFRA) who will issue the import permit based on the clearance from DoA.
3. The urea imported by the SOEs should be used only for the intended industrial purpose and should not be distributed or sold for other purposes.
4. The consignment will be monitored by BAFRA at the point of entry as well as in the factory.
5. The firms should clear any pending bills from the past supplies made from the National Seed Centre, Paro.
6. Violation of any of the above stated terms and conditions will lead to cancellation of the permits for importation.

All concerned agencies and SOEs are requested to abide by this order with effect from 27 April 2018.
