**EXECUTIVE ORDER**

In support to the Royal Government efforts towards combating COVID-19 to prevent spreading through social distancing, the Ministry of Agriculture & Forests has instituted the Agency Service Coordination Team (ASCT) to ensure the safety of civil servants and provide un-interrupted delivery of services. The HRC Member of the Ministry shall function as the ASCT and shall guide and provide technical backstopping to the respective agencies in providing continuous service delivery.

While the broad guideline for continuous service delivery plan has been drafted by the Ministry, the Departments/Agencies are requested to develop and come out with specific guideline and SoPs to be followed as a measure for continuous delivery of service.

The Department/Agencies are requested to strictly follow the guideline and any further changes shall be informed based on the directives of the Royal Government.

This order shall come into force with immediate effect.
