We would like to thank all perspective bidders who all participated and if you have any queries, you can do so within 10 working days with effective from today by revisiting the evaluation criteria (attached).

With regards,

(Kinlay Tshering)

DIRECTOR

Cc: All unsuccessful bidders (e-mail/Fax/Phone).

EUALUATION CRITERIA

If there are any complaints and dissatisfactions to be raised with regard to evaluation results, the bidders are requested to revisit and review the modalities adopted in according to the ITB and BDS strictly by the evaluation team as hereunder:-

1. Criteria Used to Determine the Responsiveness of the Bidders

- a. Has met the eligibility criteria defined in ITB Clause 3.
- b. Has been properly signed- including the addendum.
- c. Is accompanied by the Bid Security.
- d. Has signed the Integrity Pack as per the format provided and signed by the client.

Non-fulfilment of any of the aforementioned criteria would result in considering the bid as non-responsive and shall not be evaluated further or go to second stage of evaluation in e-tool.

2. Second Stage Evaluation Using e-tool

Those bids considered as responsive bids are only to be evaluated using the e-tool. Under this stage, the implementing agency/client has the authority to enter credit facility, price preference comprising of incorporation, employment and internship for VTI graduates, Equipment and the Human Resource as defined under the Qualification Information Form and Evaluation Table (Section IV 1.2 and 1.3 of bidding document) if submitted by the bidders.

2.1 Equipment

I. Machineries (Excavator, Truck, Drum roller etc.) if owned following documents are required to submit:

- a. Copy of valid registration certificate of each equipment.
- b. Copy of insurance policy of each equipment.

II. Machineries (Excavator, Truck, Drum roller etc.) if hired following documents are required to submit:

- a. Copy of valid registration certificate of each equipment.
- b. Copy of leased agreement (Signed by both parties) with the leaser (Project specific).

III. For other equipment's mentioned under BDS, following documents were required to submit:

- a. Invoices supported by custom declaration certificates if imported.
- b. Verified invoices or sale deeds if purchased amongst the firms.

2.2 Human Resource

I. Skilled Man-power (Project Engineer, Site Supervisor & Project Manager) for regular employee, following documents are required to submit:

- a. CV in original for all man-power committed.
- b. Citizenship ID card/passports/work permit for foreign workers of all man power committed.
- c. Provident Fund Account Documents of all personnel if they have been recruited on permanent pay rolls by the Contractor.

II. Skilled Man-power (Project Engineer, Site Supervisor & Project Manager) on contract basis, following documents are required to submit:

- a. CV in original for all man-power committed.
- b. Citizenship ID card/passports/work permit for foreign workers of all man power committed.
- c. Copies of contract agreements with all personnel if they have been hired on contract by the contractor (Project specific).

Missing of any one of the required documents specified would result in non-consideration of the equipment or human resource thereby losing the allocated score under each categories. Besides, they are also checked through e-tool to confirm their/its engagement in any other works.
